

CNB 66 N°19

Description & Options

66'' Luxurious & spacious cruiser

Philippe Briand's modern and elegant design with a wide stern, a chine that lengthens her line, two rudders and a vertical bow. With a large longitudinal garage for the tender, a bright saloon, a clever four-cabin layout with the owner's cabin forward and the galley aft on the port side, and a spacious asymmetrical cockpit, this model transposes the luxury of its big brother, the CNB 76, to the 60-foot class.

Sports & family

The choice of equipment also supports the sporty character of this CNB 66. HallSpars mast and boom in carbon fiber, INCIDENCE set of sails in DFi, «performance» keel with steel fin and lead bulb (draught: 2.95 m, ballast: 8,500 kg). When specifying this boat, high attention was paid to making manoeuvring easy: hydraulic furling boom, bow and stern thrusters and electric furlers for the two headsails make this yacht perfectly suited to family cruising.

The characteristics

- Naval architect **Philippe Briand**
- Interior design **Piaton / Bonet**
- Year of construction **2021**
- Length **21,36 m**
- Beam **5,51 m**
- Draught **2,95 m**
- Light displacement **32 t**
- Sail area **215 sqm**
- Main engine **VOLVO D4 180 HP - 790 h**
- Generator **ONAN 13,5 KVA - 930 h**
- Fresh water capacity **2 x 500 L**
- Fuel capacity **2 x 650 L**
- Flag **Antigua**
- Location **Cap d'Agde (34)**

the key points

- HallSpars carbon mast
- HallSpars carbon V-boom hydraulic furler
- INCIDENCE sails DFi membrane
- Bow thrusters and stern retractable
- Reversible air conditioning
- Watermaker 280 L/h
- Dishwasher & Washer/Dryer
- Full multimedia system
- Comprehensive navigation electronics
- Additional GEL battery pack 840 Ah / 24V
- 5000 W inverter
- Forepeak equipped in crew cabin with AC
- Hydraulic gangway 1,90m
- Tender Williams 3,45m Jet
